Summary Statement:

The attached document was provided to the Town by the Executive Director of the Carbon Valley Recreation District. The Board of Trustees is asked to authorize the Mayor to sign the document on behalf of the Town.

Detail of Issue/Request:

The Town, St. Vrain Valley School District, and Carbon Valley Recreation District have an existing intergovernmental agreement (IGA) in place specifically regarding Blocks 29 and 32 in the Town of Frederick. Block 29 is the location of the softball field at the southeast corner of 6th Street and Locust and is owned by the Town. Block 32 is the elementary school play ground located at the northeast corner of 8th Street and Locust and is owned by the School District.

In short, the Town is asked to sign the agreement because the Town owns Block 29 which is used by both the Recreation District and the School District.

Legal/Political Considerations:

Since the mid-1960's the Town has been involved in agreements to allow Town residents to use School District recreation facilities after school hours. In 1984, the Town assigned certain rights under to the Carbon Valley Rec to coordinate with the School District. The 1984 IGA is reviewed every three years, according to its terms, and each time the Town is asked to reaffirm its commitment to assign to the Rec District the coordination function. While the IGA has been modified slightly regarding which fields and swimming pools are available, the last substantive amendment was in 2004. The current IGA substantially mirrors the 2004 agreement, and by reaffirming its commitment for the Rec District and School District to coordinate facility operations, the Town will support maintaining the status quo.

Alternatives/Options:

The Board of Trustees may choose whether or not to authorize the Mayor to sign the IGA.

Financial Considerations:

Not applicable.

Staff Recommendation:

Staff recommends authorizing the Mayor to sign the IGA.
